

MEDIA STATEMENT

Date of release: November 20, 2020

On November 20, 2020, the Saskatchewan Health Authority advised the Lloydminster Public School Division of a positive COVID-19 case impacting an individual at Barr Colony School in Lloydminster.

This individual did not attend school while infectious and will not be returning to school until advised by Public Health.

In the spirit of being transparent and continuing to communicate information as it becomes available, the Lloydminster Public School Division and Barr Colony School Administration felt it necessary to share the positive case identification with the school and the Lloydminster community.

Todd Robinson, Director of Education
