

MEDIA STATEMENT

Date of release: December 11, 2020

On December 10, 2020, the Saskatchewan Health Authority advised the Lloydminster Public School Division of a positive COVID-19 case impacting an individual at E.S. Laird Middle School in Lloydminster.

This individual was self-isolating and therefore did not attend school while infectious.

Due to these precautionary measures, no additional action is required in relation to this newly reported case.

In the spirit of being transparent and continuing to communicate information as it becomes available, the Lloydminster Public School Division and E.S. Laird Middle School Administration felt it necessary to share the positive case identification with the school and the Lloydminster community.

Todd Robinson, Director of Education
