

MEDIA STATEMENT

Date of release: December 18, 2020

On December 18, 2020, the Saskatchewan Health Authority advised the Lloydminster Public School Division of a positive COVID-19 case impacting an individual at Avery School in Lloydminster.

The individual did not attend school while infectious and is self-isolating under Public Health's direction.

Due to these precautionary measures, no additional action is required in relation to this newly reported case.

In the spirit of being transparent and continuing to communicate information as it becomes available, the Lloydminster Public School Division and Avery School Administration felt it necessary to share the positive case identification with the school and the Lloydminster community.

Todd Robinson, Director of Education
