MEDIA STATEMENT

Date of release: February 13, 2021

On February 13, 2021, officials from the Saskatchewan Health Authority identified a positive COVID-19 case in an individual in grade 11 at Lloydminster Comprehensive High School in Lloydminster.

The SHA has concluded their contact tracing process. Due to the safeguards we have in place, no close contacts were identified. Communication has been shared with the school community.

To protect privacy, we are not able to share or discuss details.

Our school plans contain many important measures, processes, and protocols which add layers of protection for students and staff.

The Lloydminster Public School Division and Lloydminster Comprehensive High School Administration and staff, with the support of Public Health and the SHA, will continue to keep student and staff well-being as our priority.

Director of Education, Todd Robinson
