3401 - 57 Avenue Lloydminster, AB T9V 2K6

**RE: Notice to Staff, Students and Visitors of a COVID-19 Outbreak in Rendell Park Elementary School**

Public Health staff are investigating multiple cases of COVID-19 in Rendell Park Elementary School. When an outbreak has been declared, it is assumed that there is an ongoing risk of exposure within the school and a school wide notification may not be sent with each additional case in the school during the outbreak.

We strongly recommend that everyone who is eligible, including all household members of students and staff members, get both doses of a two-dose COVID-19 vaccine series.

If anyone develops symptoms, they must self-isolate at home and seek testing immediately. Should you require medical attention, it is important to call ahead to your health care provider's office so arrangements can be made for you to be seen in a way that reduces the chance of exposing other individuals.

**As an additional measure to control this outbreak and as discussed with the School Division, grade 5 will move to online learning from October 8, 2021 to October 22, 2021 inclusive.**

For further information regarding COVID-19, please call Health Line at 1-877-800-0002, and/or visit the Saskatchewan Ministry of Health website at [www.saskatchewan.ca/covid19](http://www.saskatchewan.ca/covid19).

Sincerely,

Dr. Mandiangu Nsungu  
Medical Health Officer
